

Looking for partners in Electricity and Automotive fields (vocational education and training)

At our school right now we are looking for school partners to collaborate and help each other finding mobilities for traineeships of students in companies and doing jobshadowing for teachers at school, within vocational education and training (VET), in the next courses:

- Electrical and Automatic Installations
- Motor Vehicles Electromechanics

We are looking for:

ERASMUS+ MOBILITY

Looking for new Erasmus+ partners

We would be pleased to meet and welcome new partners in the framework of job-shadowing mobilities before sending and hosting students mobilities.

Our school has three main "fields": commerce, administration and cooking studies.

Our school is situated in Le Tréport, on the cliff and by the sea.

If you are interested in working together, please do not hesitate to contact me.

You are all welcome.
