Data Protection Notice:

This self-declaration and the personal data registered in it will be kept exclusively in the school and exclusively in paper form (no electronic storage).

Further data processing only takes place if the student or one of his or her contact persons at school has been tested positive for COVID-19 within four weeks after the submission of the declaration. In this case, the personal data will be used to identify possible contact persons. The data will also be handed over to the local health office in this case.

Thus, data collection, data storage and possible data use serve solely to protect the student's health and that of possible contact persons.

The data will be destroyed six weeks after this declaration has been submitted to the school at latest.
